

# Productinformation - Discontinuation

Dear customers and business partners,

Due to constant changes in the market and in the requirements for our products, we are constantly analyzing our product portfolio in order to always be able to offer the best possible products to our customers and partners.

In the course of this analysis we always make changes in our product range.

We would like to inform you that the NIMBO 1<sup>st</sup>. Generation will be replaced by  
NIMBO 2<sup>nd</sup> Generation.
